in the Com Stn

---

1 Since after time Police Com. stated in

letter that there are no Police Orders in

the Com Stn regarding duties &c. &c.,

It now appears that there are Orders

Byrne Head further with these letters

showed like as shown:-

(a) How the Resr can sanctioned

any rules under Sec 7 Sch V of 1861

for the retrenchment, removal, suspension

& reduction of Police Officers other than

those mentioned in Sec 4?

If any sum of the rates in this manual are arrears. In most Districts the D.S.P cannot distrain until the rate has been confirmed by the District Magt.

(6) Who has the power to levy of the Municipal Council in which the Ward of the Council is situated under Sec 4 Act V of 1861

(C) Under Sec 12 Act V of 1861 the D.S.P frame rules regarding the discipline of Police subject to the approval of the Local Govt. Has the D.S.P (acting by the authority by D.S.P) ever framed any rules & have any of them?

(Continuation of Note or Precis).

Please write note in bench on a separate sheet of paper with regard to many of these rules, and do not write upon this paper until the ground has been cleared by an answer to the above queries.

5 Have we ever had any copy of these rules?

W 28/VII/97

4 (a) No rules have yet been framed under section 7 of Act V of 1861 except those which are contained in C. C.'s Pros: No 990/189 dy 20th January 1880. But no papers connected with this order can be traced.

They were not regularly framed published as they stand, have been

(b) The Resident is the Inspector General of Police. As explained in para 3 (3) of Colonel Henderson's letter No. 3851-479-88 dy 13th Nov 1893 the C. C. of Mysore was Inspector General before the Rendition

JH

He has ~~has~~ continued to be so since in virtue of Foreign Dept notification No 126 G.P. Dt 28 April 1881 (para 1). He is also Inspector General as regards Railway Police according to para (5) of Part II of Foreign Dept Notification No. 507. I. Dt the 6th Feb 1896. The Resident is also Local Govt both for the C&M station Police and Railway Police.

(c) The ~~Dy~~ Resident as Inspector General does not appear to have made any rules under section 12 of Act V of 1861.

17 A manual of Standing orders for the C&M station Police now exists. The History of this compilation is as follows:- In June 1888 Mr Fawcett who was then in charge of the Station Police asked for permission to print at our Press this manual saying that all the orders in it were within his power and required no sanction of the Resident The permission was granted and he

sent) six copies for the use of this Office which were filed. In saying that the Resident's (Lt. and Local Govt) sanction was not required Mr Haweett appears to have been wrong.

Quite wrong D 31/VII/11

In 1893 (& again in 1895 the revision of this manual was raised, but it was shelved partly because Mr Hewetson who was then busy with the Municipal Regulation could not find time and partly because it was considered desirable to delay this revision until the Railway Police scheme was sanctioned - But nothing has yet been done - The question may now be taken up. Perhaps Mr Hewetson may be asked to prepare a Manual for Resident's approval. If so he may be furnished with Coorg Rules to follow. Perhaps also a copy of Bombay Manual may be obtained. The Lt. Bombay has said that he has no copy; but the Bombay Secretariat may be able to spare one.

N. 422 dated 30th July 1901 from the District Supte of Police, Loralai Station (thro' the District Magistrate).

A revision of the Police orders was considered necessary - vide paragraphs 74 & 75 of the notes appended to Sec. N° 1 to 5 of this file.

The D. S. P has revised the orders on the lines of those of Quetta, & has asked for their being printed prior to submission for the Resident's approval.

If approved, the manuscript may be made over to the Residency Press & they may be told to send proof sheets to the office of the D. S. P for examination.

The Police manual of the N. W. P which was being revised in August 1900 may perhaps be ready now. If approved an enquiry may be made, with a remark that the Supte, Govt. Press, N. W. P & Oudh, has not furnished this office with a copy of the manual as stated in the N. W. P. Govt's letter N. 1920 of 22nd August 1900.

RESIDENCY PRESS

Office Note.

The Draft Police Orders.

The above was sent to the Press in Augt 01 when a note was submitted to the effect that the Press could not undertake to do the work, owing to the Size of the work and the want of type in the Press. An attempt was, however, made at the beginning of this year to do something, but owing to other urgent work which required all the type in the Press, this little that was set up had to be distributed and so nothing has been done - I am afraid that, with the limited quantity of type in the Press, any big order like the present file cannot be undertaken; unless the work may be done piece-meal - ie. so many tabs at a time, these to be printed off and then the tabs worked off, and so on, the Chief object being to prevent proofs being delayed, and type kept standing.

If this can be done in the present case, the Press will do its best with the file,

if not, the work cannot be undertaken -

Draft Police orders of the Cr. Station.

The Superintendent of Police has accepted the suggestions made by Mr Copeland in regard to the revision of the Station Police orders on the lines of the orders of the Madras Police. Only three points seem to call for notice now and orders are requested on the notes regarding them on pages 133, 221 & 226 of the draft Station Orders.

The papers may now be returned to the Superintendent of Police so that he may take the necessary action for printing the orders in the Residency Press and issuing the same as early as possible.

Rule 18a requires an additional fact to be inserted in the 2cd line after the word " Cases"

Rule 18. a. reads as follows:-

" The duty of Police orderlies in the courts is with Police cases, keeping order in court and the like; they are not to be sent about to perform the duty of the ordinary office establishment ".

In this rule, the insertion of the fol-lowing words after the word " Cases" is quite inddispensable.

Namely.

"and with all other cases that are punish-able with imprisonment or imprisonment indefault of payment of fine"

Rule 45. Prevention of Cruelty to animals. Bengal Acts 1 and 111 of 1869

Act 1 of 1869 was cancelled and it was superseded by Act No xl of 1890 which is now in force here. Vide British Enact-ments in force-Page 123.

So this rule (45) has to be modified. The other rules do not seem to call for any remarks.

M. Abdur Rahman

18-5-09 Magistrate.
